

Ambassadors across England

The National DRE Programme welcomes the National DRE Ambassador Programme, being led by Julie-Jaye Charles, and made up of regional Ambassadors (users, survivors and carers) from across England.

The key aim of the programme is to strengthen strategic involvement in a national forum and work as Ambassadors in shaping the implementation of the DRE Action Plan, regionally and locally.

The DRE Ambassadors Programme is about:

- Being united through experiences
- Collective in our views
- Leadership across parameters.

My involvement is about making policy practical... its about a race to equality.
